

INTRODUCTION TO THE ABC'S OF FAITH

Every Christian should have a thorough understanding of the basic beliefs of our faith. It is vital for victory in life that we know what we believe and why because there are consequences for ignorance.

Hosea 4:6, God tells us that His people are destroyed because of a lack of knowledge. They don't know who they are. They don't know what belongs to them. They don't know what they believe and why they believe it. Many of them are under false teachings and they don't even realize it. Ignorance of what God's Word really says is the main reason Christians' lives are filled with the same sickness, strife, stress, lack and destruction that the unbelievers' lives are filled with.

There should be a huge difference between the two lives. The world should look at our lives and see a huge difference from the way we live and the way they live. They should want what we have.

Scripture tells us that our lives are living epistles read by the world. What's in our book? What is the world reading in our lives? Are they finding peace? Health? Abundance? Victory? Love? Forgiveness? Answers? Are they seeing Christ in you?

Knowing what we believe and why will enable you to answer a resounding 'YES' to those questions!
